Strangely enough, many growers in Côte des Blancs praise this grower, who is Bollinger's neighbour. The family have been winegrowers at Ay since 1584. Christian and Michel Gosset own 9.6 hectares in Chouilly, Ay, Avenay and Mareuil. Gosset-Brabant is one of the few to make Ay rouge. They only make 1500 bottles of this treasure, which I consider to be one of the district's foremost red wines. The wines are of remarkably good quality. If the rosé could shape up, the four stars would have been a reality this year. 1999 Cuvée Gabriel is very much like a smaller version of Bollinger VF.

Gosset-Brabant (***) ist eins des Wenigen Unternehmen, die Ay Rouge erzeugen. Man produziert nur 1500 Flaschen von dieser Kostbarkeit, die ich für einen der aller besten Rotweine der Region halte. Die Weine des Winzers halten heute eine sehr hohe Qualität.
