

CHAMPAGNE
GOSSET-BRABANT
Aÿ GRAND CRU

GOSSET-BRABANT DANS LES GUIDES DU VIN EN FRANCE & A L'ETRANGER

The finest Wines of Champagne.

Mickaels Edwards

For me, Gosset-Brabant is now one of the Aÿ's leading producers, right up there with Bollinger, Henri Giraud, and the brothers' namsake (maison) Gosset, to whom they are related way back. The wines are excellent, and can be recommended without hesitation.
